## Sending images to your e-mail address

In case of favorable ultrasound conditions we are pleased to offer forwarding selected images of today's exam directly to your e-mail address *free of charge*.

Images are sent anonymously, according to German Data Protection Policy. The number of images varies from patient to patient. Please note, that an unfavorable position of the baby, little amniotic fluid or an obese abdominal wall may influence image quality or even make it impossible to obtain images.

I would like to receive exam images:
